

Eastlands Primary School

September 2023 Travel plan update

School streets— This is Rugby Council project around Lansdowne place. Your child will have received a leaflet to show how this may affect you each morning and evening.

Park & Stride is when parents and carers who have to drive to or from school are encouraged to park well away from the school gates and walk the last part. Their children can get the benefits of walking some of the way to school and congestion and fumes around the school gates are reduced for everyone. See map on page 3 which shows everywhere within a ten minute walk of the school. Try walking the last ten minutes to school.

The land from the last house on Lansdowne Place is school land and we ask parents do not park here in the morning rush from 8.30—9.00 for child safety reasons. You can park in Whinfield Car Park on Butlin Road, and walk through Whinfield Park to the back gate of the school. Or you can park in the GEC Recreation Ground on Lower Hillmorton Road and walk along the path by the allotments to school. See map on page 3.

Eastlands works very closely with the Road Safety Education Team at Warwickshire County Council. We are committed to helping children and families be more active on their journeys to school.

In school we have planned teaching visits for :-

- ⇒ **Reception class** - Through games, song and story children will be introduced to key road safety messages, including the importance of always holding hands with a trusted adult and stopping before the kerb.
- ⇒ **Year 1** - Children will be invited to put on their thinking hats, find their magnifying glasses and turn on their listening ears in preparation for becoming Road Safety Spies. They will complete several top-secret missions to help them learn and remember how to stay safe with their adults. They will be introduced to key vocabulary, the Road Safety Code, and safer places to cross the road, and taught to recognise unsafe places to cross, such as between parked cars and on a bend.
- ⇒ **Year 2**— Scooter Safety Assembly
- ⇒ **Year 3**— Road Safety Superheroes and Dangerous Distractions activity
- ⇒ **Year 4**— Safety through the seasons. Using observational activities, engaging visuals and class discussion opportunities, this scientific themed video builds on prior road safety messages to deliver a timely reminder about how to keep safe on darker days and evenings and the importance of seeing the dangers.
- ⇒ **Year 5** - Dangerous Distractions & Cycling Proficiency
- ⇒ **Year 6** - Transition to Secondary focus and signposting to local cycling proficiency programmes.

Eastlands Primary School

Eastlands achieved Bronze, Silver & Gold Travel Awards in 2021.22 and 2022.23 and we are aiming for gold again this year.

To achieve these awards we have undertaken surveys, information campaigns and in school teaching. So far this term, we have we have participated in World No cars day on Friday 22nd September, pupil travel surveys, and this week is [Bike to School Week](#). We are going to participate in [Brake Road Safety week 19-25th November](#)

We work with the Rugby council to find safe places for parents to park to reduce congestion and pollution levels at the front of the school

Thank you to all our families who have supported so positively and made this possible. You have been brilliant!

Together Lets Go for Gold again

See pages 4-6 for families/individuals seen scooting, cycling or parking away from school and walking in.
