EPS Equality and Inclusion statement: Our school is commited to eliminating discrimination and other conduct that is prohibited by the Equality Act 2010 and build upon the existing legislation covering discrimination and promotion of equality of opportunity.

At Eastlands Primary School we believe that if we can offer appropriate support and a full entitlement to the curriculum, every child in our community who wishes to attend our school should have the opportunity to do so. We aim to provide education from Reception to Year 6 enabling a smooth transition through every year group.

The standard admission number of the school is 30, which is a legal maximum for classes in EYFS and KS1. In KS2 we offer 30 children in each class and can offer no more than 30 unless agreed at appeal.

Parents apply for school places online at Warwickshire County Council Admissions https://www.warwickshire.gov.uk/applyforschool Email on admissions@warwickshire.gov.uk or by ringing 01926 414143.

When a Warwickshire Community or Voluntary Controlled School is over-subscribed, after the admission of pupils with an Education, Health and Care plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order.

Time of admission relates to the time the applicant would start at the school not the time of application or offer.

1. Looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Children eligible for the Early Years Pupil Premium, Pupil Premium or Service Premium at the time of making the application, with no more than 14% of the places available to be allocated under this criterion on National Offer Day.

3. Children who are currently, or have been at any point since birth, subject to a Child in Need Plan or a Child Protection Plan, with no more than 9% of the places available to be allocated under this criterion on National Offer Day.

4. Children living in the Priority Area for the school, who will have a sibling attending the same school in Years 1 to 6 at the time of admission in September 2026.

5. Other children living in the Priority Area for the school.

6. Children living outside the Priority Area for the school, who will have a sibling attending the same school in Years 1 to 6 at the time of admission in September 2026.

7. Other children living outside the Priority Area for the school.

Priority within each oversubscription criteria
Where applicants are allocated the same oversubscription criteria, priority is given in order of distance between the child's home address and the school applied for, with the shortest distance being given highest priority.
Distance will be calculated by using a straight-line measurement from the address point location of the applicant's home address (as set by Ordnance Survey) to the pre-determined point ('centroid') of the school in question. All distances are subject to changes which may occur with updates of mapping data.
