Early Years Education Experience- For Children in Nursery and Reception

Objectives:
Eastlands Primary School has a strong commitment to the added value of learning with the use of carefully planned Educational visits. Each year, the school will arrange a number of activities that take place on and off the school site, which support the aims of the school, as well as providing first hand experiences and bringing the curriculum to life.

Aims:
We are lucky to have secured a visit from 'Make Believe a Story' to perform their interactive Christmas show 'The Jolly Christmas Postman'. This visit will involve lots of drama and storytelling and will bring the children's literacy learning to life.
