- \* To praise hard work, determination and having a positive attitude.
- \* To develop our school so that it has consistency at its heart, that it is a creative and exciting place for our children and for the community, that we have high expectations of each other and that we hold each other to account.
- \* To educate in a holistic way, focusing on the social, moral, creative and artistic as well as academic.
- \* To give opportunities to develop the knowledge and skills our children will need for later in life.
- \* To build a school community with positive relationships based upon clear values, respect and support.

Please ensure that each item of clothing is marked with your child's name.
