Value of the Month- Positivity

Positivity (noun)-the practice of being or tendency to be positive or optimistic in attitude.
"pupils draw power from the positivity of their teachers"

In Reception we went on an Autumn walk and thought about all the positive aspects that seasonal changes can have. We used our senses to explore the autumn environment.

We can play in the leaves and throw them in the air-it's fun!

Our Reception Superstar this week took home Percy the penguin:

- Alfie is my friend
- He is always smiling and happy
- He plays with me
- He always helps to tidy up in the classroom ... me

Year 3:

Our new class member, Fareed is always positive and happy in class, he always has a smile on his face and looks like he is enjoying himself.

He had a huge grin when he heard these comments which was lovely.

proud of her for trying
her best and she is very
humble and kind

I picked
I picked her because when
we have arguments and I
am sitting under a tree upset
she'll come and ask me
what's wrong and
makes me feel as I have
a friend.
