Christmas Jumper day was very successful. As a school we raised **£160 for Save the Children** which is fantastic considering what an expensive time of year December is. Thank you all for your generosity.

## PSA

The PSA team continue to work hard on behalf of our school. As well as organising the Christmas Fayre they also sold refreshments at the Christmas performances. Many thanks to this dedicated team who work tirelessly to raise funds for our school.

## Governor Profile

Dear parents,

Happy new year to all! My name is Alex Becker and I was appointed to the board of governors in September. I have joined as a parent governor, and have two daughters at the school, Sophie in Year 3 and Willow in Reception. Many parents will also know my wife Lee from the PSA.

Our school is fortunate to be in a good position at the moment, with a great headteacher and staff, all of whom I know work incredibly hard every day to give our children the best education, while upholding the ethos of Eastlands Primary School. But it is not the job of Governor to just congratulate when things are going well; as a new member of the board I have been learning much about the way our school works, and look to be constantly challenging and seeking real evidence that we continue striving for excellence, as well making sure our children are healthy, happy, and above all, safe.

It's important for governors to understand what it's like to be at their school, whether as a pupil, teacher or parent, so I'm always happy to stop and chat about your experiences at Eastlands. I'm often doing the school run, and have been lending a hand at the school allotment (which is coming on a treat by the way!). Please do bear in mind, though, that personal issues and complaints are always directed to the Headteacher and governors must be impartial.

It's a pleasure and an honour to join the Eastlands board, and I look forward to many years of working with everyone at the school. Alex Becker.
