Governor Profile

Dear parents,

My name is Bukola Obadun-Craigs and I was appointed by the governing body in November 2019. I have joined as a co-opted governor hoping to apply some of my skills as a solicitor to contribute to the effective governance and success of Eastlands Primary School.

I value education and always wanted to assist wherever possible to the development of our young people. I live and sometimes work in Rugby and understand that an essential part of my role as co-opted governor is to act in the best interests of the school and the wider community. I fully support the aims of the school and will endeavor to work in partnership with your headteacher, senior leadership team and other governors with a view to continuously raise standards and improve outcomes for all children.

I have a lot to learn and look forward to developing my own learning and development as a co-opted governor of Eastlands Primary school. I am looking forward to visiting the school for a tour to get to know it, the teaching staff and non-teaching staff better.

It's a pleasure and an honour to join the Eastlands board, and I look forward to many years of working with everyone at the school.

Bukola Obadun-Craigs

Class Photographs will be taken on **Tuesday 10th March.**

The format for the photos will be a group photo. Therefore it essential that all pupils be in full smart uniform and ensure their black indoor shoes/pumps are in school. Thank you.
