## July Bulletin 1 2020

Many thanks to all our parents in supporting the school during the reopening. With carefully planning by senior leadership and the common sense applied by all members of the school community the school was a safe and welcoming place for pupils. Children are following the systems in place and seem very happy from the feedback we are getting.

Good Luck to Year 6. We wish all our Year 6 the very best in the future at secondary school. Please keep in touch as we love to hear of all your successes.

## Thank you to our Parents.

As we approach the end of a remarkable school year that none of us will forget I would once again say thank you to our fantastic parents.

Over the last few weeks it has become so clear that working together as a team has had the greatest positive impact on the children both in terms of wellbeing and learning. The process of moving from full closure to partial opening was made easier and successful by your unconditional support. Your constructive feedback was used by school to keep improving our communication.

Beyond the COVID crisis I know that our hardwork in school is always well supported by parents. A big thank you to you all. I look forward to continuing the home school partnership in the coming year.

## Thank you to Staff & Governors

I would like to take this opportunity to say thank you to the school staff team. With incredible hard work and carefully anticipated planning the staff have provided a learning package during these remarkable times.

The Admin team ensured communications were picked up and directed to the right person as quickly as possible.

The Premises team have strived to ensure the site has remained clean and safe for all on a daily basis.

I know from parental feedback that the school's hard work and endeavours have been greatly appreciated by our parents. I wish to add my thanks to all staff.

Finally I must say a special 'Thank You' to the school Governing Body for their unconditional support throughout the crisis. I hope you all have a restful break over the summer. Stay safe.
