Punctuality facts.

Once again I request that parents do not make routine appointments during school hours.

Thank you for your continued co-operation.

Why is punctuality so important?

Good school attendance includes being there on time. Punctuality is a life skill. The habit of good punctuality at school will help your child throughout their education, into adult life and the work place.

Did you know that…

5 minutes late each day = 3 days lost over a year
10 minutes late each day = 6.5 days lost over a year
15 minutes late each day = 10 days lost over a year
20 minutes late each day = 13 days lost over a year

Platinum Jubilee news

The Queen's - Platinum Jubilee

In 2022, Her Majesty, The Queen will become the first British Monarch to celebrate Platinum Jubilee after 70 Year of service.

On Friday 28th May we would like to celebrate the Platinum Jubilee in school. Children are asked to dress smartly or as a member of the Royal family. During the day they will be studying the Royal family. Each class will send a card to Her Majesty to mark the occasion.

Thursday 27th May - The day before, children will be making table decorations, place cards, bunting and decorating celebration cup-cakes.

There is also talk of a special royal visitor popping in to help us celebrate.

We need parents help too! In the week beginning 23rd May could you send in donations of plain cupcakes for children to decorate in readiness for Friday.

HELP

The school kitchen will be providing a royal lunch for all children to purchase on the 25th.

A flyer, with more details, is to be sent out shortly.

Warwickshire County Council (WCC) are reviewing the way parents and carers apply for a school place for their children. As part of this review, they want to understand what matters most to those involved and are asking for your feedback on using the service and Parent Portal. The information provided will help design, manage and improve the way in which this system operates.

If we could please encourage you to complete the questionnaire and help them understand what is important to you when deciding on a suitable place for your child to learn. The questionnaire will take around 5 minutes to complete and is anonymous, it asks you about your experiences and what matters to you along with some general information about your family.

Please do share as much as you can about your experience to help inform the future system to ensure the best experience for parents and carers in the future.
